## *Get ready for an adventure!*

The Irix 11mm f/4 Blackstone is now **14% off!**

Irix 11mm f/4 Blackstone is a premium lens that will face any adventure no matter the scale. **A unique angle of view guarantees incredible shots thanks to this ultra wide lens!** To meet the expectations of vacation photography, we have prepared a special offer for a product that will be perfect for your trips, vacations, or, if you plan to stay at home - it will give you a **completely new look to the world surrounding you every day.**

**A unique lens ready for any summer adventure!**

The **reinforced, full metal construction** (with markings), have been precisely machine-engraved and filled with UV-reactive paint, allowing for easy focusing in dark environments. **Optics of the highest quality**, combined with the 11mm focal length, allow you to shoot wider than ever and show the full scope of your vacation - with this wide-angle Irix lens, **memories from every adventure will be magical.** Included with the lens is a hard case that allows you to safely transport it in any situation. It doesn't matter which destination or what you use it for - **Irix lenses can handle any challenge.** Round rubber O-Rings seal and protect the entire structure from moisture, dust, and sand. The lens has an internal focusing mechanism, thanks to which it maintains the same dimensions during focusing. **Blackstone:** durable, solid, sealed, and reliable – and ready to work in any conditions. **With Irix 11mm Blackstone, the streets are no longer narrow, and mountains are no longer too high (to fit in your composition).** This is the best way to bring a breath of fresh air to your travel photos – the angle of view is wide enough to include the entire area, room, or space you're shooting, **enabling you to capture vacation memories like never before.**

Whether you're a professional photographer, or taking your first steps and just starting your photography adventure. **The Irix 11mm f/4 Blackstone is your new passport to the world of amazing photography.** Get ready for an incredible adventure and visit the Irix Store now: <https://storeeu.irixlens.com/en> or, visit our official Irix dealers: <https://irixlens.com/dealers-list/> and get the Irix 11mm f/4 Blackstone with a **14% discount (limited time only)!**

The Irix logo consists of the word "IRIX" in a bold, blue, sans-serif font. The letters are stylized, with the 'I' and 'X' being particularly prominent. The word is enclosed in a blue square frame with rounded corners, resembling a camera viewfinder or a lens mount. The 'I' and 'X' are slightly taller than the 'R' and 'I'.
