

It's here! Irix Christmas season deals are now available!

The Irix brand is made of photographers so we know how to make other photographers happy! So like every year, we'd prepared **various gift propositions in different price tags**. Everyone can find an attractive gift for their loved ones - regardless they take their first steps in photography or are advanced, professional users. It is a perfect opportunity to think about Christmas gifts for your loved ones involved in photography or to complete your bag with high-quality lenses, filters and accessories! **Christmas Special Deals will be available from 10th to 24th December 2020.**

Run out of gift ideas? Inspire yourself with Irix gift guide:

Winter Deals

715€
~~799€~~

- Irix 45mm f/1.4 Dragonfly
- IFH-100 Filter Holder
- Adapter 77mm

The advertisement features a blue and white winter-themed background with snowflakes. On the right, the Irix 45mm f/1.4 Dragonfly lens is shown with its lens cap and a 77mm adapter. In the center, the IFH-100 filter holder is displayed. A red price tag on the left indicates a discount from 799€ to 715€. The Irix logo and 'Winter Deals' text are prominently displayed at the top left.

Winter Deals

186€
~~219€~~

- Filter Case
- IFH-100 Filter Holder
- Irix Edge Soft GND 16

The advertisement features a light blue background with white snowflake patterns. It displays three items: a black zippered filter case with the Irix logo, a square soft gradient filter, and a black IFH-100 filter holder. A red price tag is positioned to the left of the items.

or with hard gradual filter: Irix Edge 100mm Basic Hard for **€195 instead of €229**

[IRIX]
Winter Deals

195€
~~229€~~

- Filter Case
- IFH-100 Filter Holder
- Irix Edge Hard GND 4

This advertisement is identical in layout to the one above, featuring the same background and items. However, the price tag shows a discount from €229 to €195, and the list of items includes the Irix Edge Hard GND 4 filter instead of the soft version.
